- Route 633 (**Monday – Friday**)
- Route 618 (**Monday – Friday**)
- Route 673 (**Monday – Friday**)
- Route 605 (**Monday – Friday**)
- Route 630 (**Monday – Friday**)

Under Construction

Caroline County

Route 639 Widening

Route 639 is being widened, creating a new left turn lane near the Route 1 intersection. During construction the posted speed limit will be lowered to 35 mph in the work zone. One lane will remain open in each direction during construction. Motorists should be alert to traffic pattern changes in this area. The project completion date is May 2015.

City of Fredericksburg

Fall Hill Avenue

Fall Hill Avenue is closed to all traffic at the Rappahannock Canal bridge through late 2014 for a bridge replacement project. Motorists should use Cowan Boulevard as a detour route.

King George County

Route 206

The intersection of Route 206, Owens Drive and Windsor Drive is being widened to accommodate new left turn lanes and right turn lanes. Single lane closures will be in place weekdays from 9 a.m. to 3 p.m. Project completion date is December 2014.

Stafford County

Route 17

Route 17 is being widened from four to six lanes between McLane Drive and Stafford Lakes Parkway, a distance of nearly 2 miles. The work zone extends from just south of the I-95 interchange to Cardinal Forest Drive. Motorists should be alert to changes in traffic pattern and periodic overnight lane closures. Project completion date is December 2016.

Route 1 Bridge over Aquia Creek

Crews are replacing the Route 1 bridge at Aquia Creek, located just south of Telegraph Road. Motorists should be alert to construction equipment entering and exiting the work zone and periodic lane closures. Estimated completion date is August 2015.

Falmouth Intersection (Route 1/Route 17/Route 218)

Construction is underway. Motorists should be prepared for brief delays and periodic lane closures on Butler Road and Route 1 just north and south of the Falmouth intersection. The project is expected to be complete by September 2015.
